I understand that skipping my January or February payment will extend my loan projected payoff date. This will not affect my payment record since the skipped payment will be added to the end of my loan. Interest will continue to be calculated on the outstanding balance. Payments will resume on February 2010 or March 2010. I also understand that, if applicable, credit insurance coverage will expire on the original loan maturity date.

Only January or February 2010 payments are eligible for this skip offer. **Skip-A-Payment form must be received three business days prior to loan payment due date.**
