

STUDENT CHECKING ACCOUNT

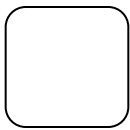

Checklist for college

Make sure my student has good grades in high school.

My student is participating in various extra-curricular activities, ie Sports, Music, Clubs

Help my student understand personal finances and proper usage of a checking account before heading to college.

Here at Kamehameha FCU, we understand the importance of a good financial education. Our student checking account program is here to help parents teach their student about maintaining a checking account. Students age 15-18 are eligible to open a student checking account with their parent. Stop by the branch or call us for more information at 842-9660.
